KEY ATTRIBUTES

DRIBBLING

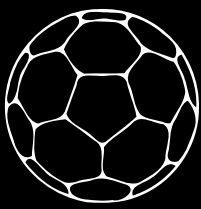

He is confident on the ball and able to take on defenders in one-on-one situations. His close control and quick feet allow him to navigate tight spaces effectively.

PASSING

He has excellent vision and timing when delivering passes. Whether it's a quick short pass or a long ball into space, he consistently finds his teammates and keeps the team moving forward.

TACKLING

He reads the game well and shows great determination when going into challenges. His timing is precise, and he is aggressive yet controlled when winning back possession.
